Digital Futures Conference

Sunday, April 19th – North Hall
NAB’s online media technology and business conference

With a sharp focus on driving digital revenue and audience engagement for local media across all platforms, this event is designed for digital officers, managers, GMs, strategists, account managers, and technologists at media companies of all types.

From broadcast to print to digital pure-plays, Digital Futures Conference (DFC) unveils digital trends and strategies and presents the latest in online business and media technology.

A diverse combination of bright minds will discuss strategies for leveraging current opportunities to increase engagement and earn more revenue in a multi-platform world. If you work in digital media, this conference is a must-attend event.

Sponsor engagement for this event takes place during the AM and PM Break, Boxed Lunch & Learn and Reception to cap off the day. Program usually hosts 150 attendees.
